July 2018

**90 Points** - With aromas of peach, honeysuckle, pear and honeydew, and flavors of lemon and green apple, this wine is simply delicious. More than delicious, it is a solid, high-quality wine, its crisp acidity well-balanced by medium alcohol and substantial, rich texture, and its concentration of flavor impressive, especially considering the wine's modest price.

**91 Points - Best Buy - Top 100 Best Buy** - Orange-marmalade aromas set the stage for a rather full-bodied, dry and flavorful wine. Floral and fruity elements are counter-balanced by a tangy texture and subtle mineral accents. A classic of the type, it has a lot of personality, a great presence on the palate and a lingering finish.

**Best Buy** - This medium-bodied wine smells light and herbal. It gets deeper and richer on the palate as ripe golden-apple flavors kick in and the texture seems to spread out.
